

## **March 20 YHS meeting Cancelled**

As with many other activities & meetings you have heard about in the news recently, out of caution and a concern for the health of our members we have decided to **cancel the March 20th monthly meeting**. The age group many of our members are in (over 60) is considered a "high risk" group for Coronavirus Disease (COVID-19).

We will decide at a later date when/where we may reschedule the meeting & speaker. It *may* just roll over to a fall program. At this time no decisions have been made regarding the April & May monthly meetings. What is known about the virus and how it is spreading is changing on a daily basis--hopefully we will be in a better position to assess the risk of in-person gatherings in another month.
